Report of Principal and School Improvement Council

The 2009-2010 school year at Daniel Island School proved to be another successful year of learning. Our fourth year in existence led to more changes and exciting news for the Daniel Island community. Our enrollment jumped from approximately 996 students to 1,164 in the fall. Enrollment has more than doubled from the 550 students in the 2006-2007 school year. For the first time, Daniel Island School was recognized as earning the State's Palmetto Gold Award for excellence in achievement. Moreover, the elementary grades earned an Absolute Rating of Excellent and a Growth Rating of Excellent. Likewise, our middle school grades earned an Absolute Rating of Excellent and a Growth Rating of Excellent.

In addition to improved performance on state-identified ratings, Daniel Island School earned 21 out of 21 objectives and met Adequate Yearly Progress (AYP) criteria under the Federal No Child Left Behind regulations. We are extremely proud of the fantastic achievements of our students and staff.

This year, many new initiatives were implemented in an effort to enhance our academic performance and create a safer environment in our school. In our primary grades, our PTA funded materials from The 95% Group to give teachers additional data when working with reading and phonics skills. In addition, our PTA funded a new computer lab, bringing the total to five functional labs that support whole-class research projects and group educational software use. Our School Improvement Council implemented the Mentors Making a Difference program, assisting several fourth grade students with specific needs in reading and writing through 1:1 tutoring. In addition, a school safety subcommittee was formed to look at ways to revamp our dismissal system, support safety for our bicyclists, and have new crosswalks painted for safer travel. A group of 13 eighth grade students also worked with SIC, PTA, and school personnel to establish the inaugural DIS Safety Patrol. Through the hard work of volunteers, we were able to once again offer programs like Parent Pals, Golfers for Education, and the Adopt-a-Teacher program. Other mentoring groups were supported by our Guidance Department to provide additional social support to identified groups of children across the grade levels. In total, volunteers donated over 400 hours per month to Daniel Island School.

2009-2010 marked a record in the number of students participating in high school credit courses such as Algebra I, English I, Spanish I, and Keyboarding and Computer Applications. Moreover, we proudly recognized twelve Junior Scholars and several Duke Tip Scholars. Daniel Island School was also recognized for having the most entries and winners in the District PTA Reflections contest.

We are excited about our accomplishments and look forward to continued success at Daniel Island School. We encourage you to visit our wonderful place of learning and see for yourself why we SOAR at Daniel Island School!

Mrs. Kecia Greenho, School Improvement Council Chairperson
