Report of Principal and School Improvement Council

Summerville Elementary School is an inviting school "Where Kids are our Business." Our mission is to lead the way, every learner every day, with rigor, relevance, and relationships. Our goal is to create leaders of self by teaching skills of self-discipline, self-awareness, and self-confidence.

The community is excited about the Adopt-a-Teacher initiative we have started and provides endless hours of volunteer time to support our efforts. This initiative is geared to bring the business community into the classroom. Businesses are working side-by-side with teachers providing hands-on learning experiences with children through activities such as creating a newspaper from scratch!

Several programs have been implemented to meet the challenges and changes of our growing population. The role of the Response To Intervention (RTI) teacher is to assess students' reading skills and develop interventions in kindergarten and 1st grades. The Math Buster Program is a small group, math instruction model for grades 3-5. READ 180 is an intensive, research-based reading intervention program that serves 30 students in 4th and 5th grades.

SES enhances technology by using SMARTboards, Senteo Student Response Systems, Odyssey software, FASTT Math, Waterford software, and Study Island.

We are a Positive Behavioral Interventions and Supports (PBIS) school. PBIS is a school-wide positive behavior program. It has an instructional focus where school expectations are clearly defined and modeled for our students. It teaches social behavior, consequently making the most of instructional time and student achievement.

We believe in positive interactions with children and have worked hard this year to create a climate that supports that belief. Children are recognized on a regular basis for positive choices, improved grades, outstanding grades, and display of quality character. Our goal is to "Leave our mark in the SAND" (Safety first, Active learning, Never-ending pride, and Demonstrating respect).

Though we are proud of the successes we have experienced this year, we look forward to all the accomplishments ahead. As we travel on this learning journey together, we embrace the lessons life teaches us through all aspects of our day.
