Report of Principal and School Improvement Council

George I. Pair Elementary School had a terrific year of student growth and achievement in 2009-2010. The faculty and staff "celebrated the world around us" by focusing on the diversity of our students and modifying instruction to meet the needs of all students.

Our students were involved in differentiated activities that challenged and motivated them to reach new heights. They went on field trips to many locations such as Charleston and Camden to discover new learning connections. After-school programs also focused on the various needs of students in grades 1-5.

Pair Elementary achieved Adequate Yearly Progress (AYP) for the first time by meeting all seventeen of its objectives based on No Child Left Behind mandates. Even with ninety-two percent free and reduced lunch, our students worked diligently with our teachers to achieve this great accomplishment.

Our focus for 2010-2011 will be to continue building on the Habits of Mind (HOM) concepts of Costa and Kallick. The HOM's are behaviors and characteristics that enable students to reach greater levels of achievement and with the support of parents and the community; we will look forward to the challenges that lay ahead.

Dr. Wanda C. Whatley, Principal
 Mrs. Nicole Marchant, SIC Chairperson
