Report of Principal and School Improvement Council

Pickens Elementary School is a Palmetto Silver Award and Red Carpet Award winning community school that has been at the heart of Pickens County. The present building has served elementary school children for more than 40 years. We are the home of the "sparklers," where all our learners "sparkle." Our school has a population of over 525 students served by 75 teachers and staff members. Classes range from four-year-old kindergarten to fifth grade. The majority of these students spend all of their elementary years at Pickens Elementary.

The school is home to two of the school district's self-contained special education classrooms. "Smart Start" is a pre-school special needs program designed to serve three, four, and five-year old students. We also have a K-5 Educable Mentally Disabled self-contained classroom. Teachers and students at all levels work closely together to enjoy learning together as a family.

Pickens Elementary has four National Board Certified teachers. At our school students participate in student council, choral festivals, school safety patrols, artist in residence week, character education program, food drives and charity drives, science fair, spelling bee contest, after school care activities, Good News self esteem program, scout programs, recycling programs, Hope club gardening activities, community art displays, essay writing and poster contests, school wide "THINK" discipline program, attendance and reading incentives, MAP testing incentives, and many others. All members of our school family realize and value the worth of each other and work together to make our school an outstanding place to learn.

Many awards and accomplishments have resulted from our work and dedication. From SACS CASI accreditation for our school to essay contest winners to spelling bee champions to science fair award winners, Pickens Elementary is an annual recipient to many awards. Teachers, staff, and parents log many hours at our school because we are dedicated to caring for our students and believe in what we do for children. Pickens Elementary maintains a focused vision, a can-do attitude, and a strong commitment to make a difference in the lives of our students. Working together we can achieve every educational and developmental goal, helping our children truly "sparkle".
