Report of Principal and School Improvement Council

Berry Shoals began its ninth school year promoting student academic achievement as its primary mission. We are very proud of the accomplishments of our students and faculty. Students at Berry Shoals continue to demonstrate excellence in academics, the performing and fine arts, and in service learning. Dedicated students, teachers, staff, and parents share in the school's theme of T\*E\*A\*M - Together Everyone Achieves More, which encourages us to work collaboratively as we all strive to be our "Berry Best."

For the first time in our history, Berry Shoals earned an Excellent Rating on the School Report Card. The school also received the Palmetto Gold Award for High Academic Achievement. Berry Shoals was also recognized by the South Carolina Department of Education as a Red Carpet School. The Red Carpet Award is presented to schools that provide consistently outstanding customer service, have a family-friendly environment, and are warm and inviting.

The talent, hard work, and dedication to excellence continue to be the hallmark of our fine arts program at Berry Shoals. As you walk through the school, the hallways are virtual museums of art as student work is displayed for all to enjoy. Every student had numerous opportunities throughout the school year to participate in our school bands, orchestras, choral and music ensembles, or in the dramatic arts. Our band and orchestra students received Superior or Excellent Ratings in a variety of events such as Concert Festival and the Solo and Ensemble Festival.

Our school continues to stress character education and to promote a safe and drug-free environment. Service learning is an important part of the culture and climate at Berry Shoals. Students completed eight service learning projects including a school wide project that supported the American Heart Association. Our teachers conducted a service learning project that supported the American Cancer Society. Our Relay for Life team was recognized as the highest donating intermediate school in the state, as well as the second highest overall donor school in South Carolina. Congratulations on a great year.
