Report of Principal and School Improvement Council

At Roebuck Elementary School, our mission is to provide educational experiences for the whole child in a nurturing and challenging environment, which helps prepare students to be responsible, self-reliant citizens in a rapidly changing society. Our mission partnered with our motto, "Soaring High and Reaching for Excellence," is reflective of the high expectations established for our school community.

Our exemplary teachers and students have worked diligently and received many local and state awards and grants. Our outstanding media specialist was named District Six Distinguished Elementary Reading Teacher and Spartanburg County Distinguished Reading Teacher of the Year.

This year, our theme of "Eagles for the Earth – Keeping It Green!," set the tone for a wide array of learning opportunities, activities, and explorations for our students. Throughout the year our school community continued its focus on "being green" and taking care of our environment. A grant sponsored by TARGET afforded all students the opportunity to visit our county landfill where they firsthand knowledge of the importance of reducing, reusing and recycling. As a culminating experience, our RES Enviro- Week Extravaganza showcased the year-long efforts of students' learning along with hands on creativity in the visual and performing arts.

We continued our excellent tradition of service and care within our community. Our students collected and donated over 2,500 cans of food for our local soup kitchen. Roebuck participated in several activities to promote literacy, wellness, and fitness among our students, parents, and faculty. Students participated in Jump Rope/Hoops for Heart and raised over \$5,000 in donations for the American Heart Association. Our Roebuck Relay for Life team raised an astounding \$10,500 for the American Cancer Society!

Measures of Academic Progress (MAP) continues to be used with all students to measure academic growth from year to year. Reading intervention programs such as Response to Intervention, PRIDE and Reading Mastery were implemented this school year. Our third grade Math Mania Multiplication Program sponsored by the Kiwanis Club and our Math Explorers Program for grades 3-5 were continued. A significant number of our students met personal and school-wide reading goals through the use of the Accelerated Reader Program.

Our outstanding PTO, School Improvement Council, volunteers and business partners continuously provide many contributions of time, resources, and support to our diverse school population. This continuous team effort and supportive atmosphere truly helps us fulfill our mission, soar high, and reach for excellence.
