### Report of Principal and School Improvement Council

During the 2009-2010 school year, the Monarch Elementary School students and staff delivered a stellar performance! Along with our great improvements, we also worked with USC-Upstate as a partner school to promote writing with the Family Writing Project.

Faculty members at MES always strive to follow teaching best practices based on current educational research. Teachers improve their skills through involvement in study groups and professional workshops.

We also strive to meet the physical and emotional needs of each child by providing health screenings, corrective dental work, and a strong guidance program. In addition to academics and citizenship, community involvement is emphasized through Relay for Life, local food banks, and many local charities. MES students are also given opportunities to excel in the Fine Arts by performing musical programs and entering art exhibits throughout the school community.

Monarch Elementary is one of two schools in the entire Upstate to have a Save the Children Program. This program provides in-school and afterschool remedial help in reading, provides proper nutritional snacks, and provides supervised physical activity.

We believe that it takes a community "team effort" to educate our children. We are often faced with many obstacles in the task of educating students today, but we can accomplish our goals by working together. Our school motto is "Making Everyone Stars," and we truly believe we can make all of our students "stars."

Courtney Dean, SIC Chair
