Report of Principal and School Improvement Council

As an authorized International Baccalaureate Primary Years Programme (IBPYP) school, Rosewood Elementary is part of a global network of schools committed to developing the intellectual, personal, emotional, and social skills students need to live, learn, and work in a rapidly globalizing world. We have purposefully integrated the state standards of all content areas into six themes with thirty-six unit planners which encompass all students K5 through 5th grade. The units are spiral and are not repeated in content or activities. As a component of IBPYP, all students at Rosewood are learning French, with students in grades 3-5 following the KITE-LL foreign language program for daily instruction. The Learner Profile is a major focus within our school and is used as a tool for character development.

Rosewood Elementary was proud to receive the Palmetto Silver Award for Academic Achievement based on PASS scores. The school also received the Palmetto Silver Award for Closing the Achievement Gap. The combination of these two awards reaffirms that all students at Rosewood are learning at high levels. Rosewood is committed to inquiry-based learning, differentiated instruction, and early intervention of academic and behavioral difficulties. The data collected from technology based programs such as Waterford in grades K-2, Measures of Academic Progress (MAP) in grades 2-5, and SuccessMaker in all grades is combined with results on common assessments to inform instructional decisions in the classroom.

This year, the Exhibition theme was "Fight World Hunger." Students raised money to dig a well for a family in Sierra Leone, collected canned goods for local agencies, and sponsored a family by purchasing animals through the Heifer project. Additionally, they worked with local experts to understand the issues associated with hunger from various perspectives and synthesized their learning and communicated it through art, technology, theater, dance, scientific experimentation, oral presentations of research, and educating the community.

The Rosewood PTO had a productive year that included monthly movie nights for families, partnerships with local restaurants for Spirit Nights, a hugely successful Bingo night and Spring Luau, celebrating student birthdays each month during lunch, providing lunches and recognition of teachers, and coordinating volunteers for various activities and projects at the school. The purchase of a new laminating machine and laminating film was greatly appreciated.
