Report of Principal and School Improvement Council

"Be a good ambassador! Remember that you represent not only yourself, but also your family, your classmates, and Orchard Park Elementary School!" These are words that OPES students hear several times a month from the time they enroll until they move on to middle school.

And what great ambassadors they have been during the 2009-2010 school year! All stakeholders at Orchard Park understand and respect the value of a comprehensive instructional program, and this belief is reflected in student performance. For the eighth consecutive year, the attendance and test scores of our students won recognition as a Palmetto Gold School for Achievement. The school was also recognized as a Palmetto Silver award winner for closing the gap between subgroups of students. One of our fifth graders won the Nation Ford DAR writing contest for York County. The students demonstrated their commitment to community service through their Food Drive, Coat Drive, and Angel Tree donations, raising over \$5,285 in Jump Rope for Heart, honoring servicemen and women in a Veteran's Day Parade, and participation in environmental projects. Student activities included School Patrol, Environmental Club, Wee Deliver, The Write Stuff, OPEN Broadcasting teams, Girls on the Run, Book Buddies, the "Too Good for Drugs" curriculum, widespread use of Senteos, media literacy studies, Accelerated Reader, FasttMath, and the newly formed Archery Club. Special student activities involved field trips to Camp Thunderbird, Brattonsville, Junior Achievement BizTown, and Patchwork Tales.

Although five positions were no longer funded in 2009-2010 due to budget constraints, members of the faculty family continued to demonstrate their commitment to improvement of student performance through professional development in research-based activities in individual and group inquiries. All teachers are classified as highly qualified, and the school is accredited by the state and the Southern Association of Colleges and Schools. Three additional teachers earned National Board Certification, bringing the total to 16 at Orchard Park. Faculty efforts have focused on excellence in mathematics as we integrated Math Out of the Box activities into daily instruction.

The OPES PTO provided support through volunteer hours, financial support for classroom materials and activities, and the organization of a highly successful Booster-Thon which raised over \$28,000. The dedication of our PTO provides a strong reinforcement for the tradition of academic excellence of all students.

As we strive to continue our mission to put children first by providing quality instruction in a caring environment where students are recognized as individuals and educated to their potential, we wish to thank our cooperative and devoted partners in education: Orchard Park's parents, the PTO and School Improvement Council, our district administrators and school board, the Foundation for Fort Mill Schools, and local businesses. Through the perseverance of all involved during this time of severe budget restrictions, we will continue to encourage every Orchard Park student to "Be a good ambassador!"
