Report of Principal and School Improvement Council

Pleasant Knoll Elementary School opened its doors in August, 2009, with an opening day enrollment of 695 students. The physical building consists of 106,000 square feet and sits on 20 acres of land. Many of our students came to us from Orchard Park Elementary, Riverview Elementary, and Gold Hill Elementary after attendance lines were redrawn.

Our theme for the 2009-2010 school year was "Purposeful Learning + A Caring Environment = Community." The school opened with Panther Week Celebrations, which included such activities as family lunch day, learning the school song/school dance, and our first ever "Panther Pep Rally." Teachers at each grade level implemented and designed purposeful learning projects, which included Sounds in Motion, six traits writing, brain gym, project-based social studies, essential questions, and a leadership academy. "Community Nights" were hosted by every grade level throughout the year in order to give parents an overview of grade level initiatives. Outside the classroom, students participated in community building activities such as: Community Patrol, Chorus, Art Club, Recycling Club, Panthers on the Prowl (running), Panther Pounce (dance and fitness), K.I.N.D. club, Yearbook club, and News team.

Pleasant Knoll Elementary School's schoolwide community agreement and schoolwide behavior plan are built around the school mission of creating a caring community. Our schoolwide community agreement focused on the character traits of caring, attitude, respect, and excellence (C.A.R.E.). Our schoolwide behavior plan, "It's Up to Me," is a color system that describes appropriate and inappropriate student behavior and is utilized in each classroom, the cafeteria, our school buses, and the afterschool program. Incentive items, or "blue rewards," are utilized by all staff members to recognize students who are demonstrating respectful and caring behavior.

The instruction at Pleasant Knoll emphasizes purposeful and active involvement in the learning process by students, teachers, and parents. Our teachers utilized differentiated instruction through best practices in math and reading, hands-on science kits, and project-based learning to create purposeful learning opportunities for all of our students. The focus of the instructional programs at Pleasant Knoll is to provide learning experiences which will give students the foundation needed for successful learning and equip them with the academic and social skills needed in the 21st century.

With the support of a strong PTO, School Improvement Council, and parent volunteers, we are looking forward to a successful "Year Two" at Pleasant Knoll Elementary.
