SC PERFORMANCE GOAL

2010 Goal:
 By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:
 By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

We are proud of our reputation as "The Best Little School in the Country" and remain committed to creating an environment where all students will have the opportunity to be the best they can be and feel proud to be a member of the OWES learning community.

This year we began the implementation of our district's literacy model with a focus on helping every child become a successful reader and writer. To foster a love for reading in our school, we implemented a school-wide theme: OWES.....Where Reading and Learning are Treasured. Students, parents, and faculty at Oakwood-Windsor Elementary School love and enjoy reading. Reading is encouraged through daily read-alouds of different genres, on-site book clubs for students and parents, and semi-flex scheduling in the library. On the morning news, students highlighted books and read to the entire school. Students read to the principal on a weekly basis and were able to choose books from the treasure chest to read and return at anytime. Our first literary magazine was produced this school year, highlighting over 90 students' writing and artwork.

To meet our school goals, our family nights centered on literacy, special holidays, science, math, technology, family heritage, and the arts. Students were honored with celebrations such as quarterly honor roll parties, Good Citizens, Terrific Kids, and Lunch/Walk with the Principals. Weekly Beagle Bone winners were recognized for demonstrating good character. Staff development was provided for our faculty/staff on early release days once a month to support our district's literacy initiative.

Assistance initiatives to support students with academic difficulties included Reading Recovery, literacy groups for second graders, small group instruction, a full day Pre-K program, EAA afterschool tutoring, and our afterschool 21st Century Learning Center. During our 120 minute literacy block, certified and classified staff provided support for struggling students using a push-in model.

Using data to drive instruction continued to be one of our areas of focus. Student test data in grades 1-5 was collected three times a year using the Measures of Academic Progress (MAP) in reading and math. The Dominion assessment was used in grades K-5 to assess reading. Teachers used the data to focus on individual needs of students and provide small group instruction. One of our goals for 2010-2011 will be to find ways to use MAP/Dominion more effectively to help narrow the achievement gap between different groups of students.

OWES is both fortunate and grateful to have excellent teaching and support staff, parents, and students. Our PTO and SIC have provided additional support to our students and staff. That's what makes us "The Best Little School in the Country.....Where Reading and Learning are Treasured!"
