SC PERFORMANCE GOAL

2010 Goal:
 By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:
 By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Belton Elementary School is committed to providing a climate where all students can achieve and experience success. Our mission, through collaborative efforts with the home and community, is to encourage students to believe in themselves, excel in performance, and to succeed in life. We strive daily to fulfill this mission.

Our students continue to achieve academically. Once again our students scored above the state average on the 2009 PASS in all subjects and in all grades. In addition, we met the Adequate Yearly Progress criteria as stipulated by the federal law, No Child Left Behind. We received an Excellent absolute rating and a Good growth rating on our school report card, which qualified us for a Palmetto Gold Award—the first in this school's history! We also were recognized by the Education Oversight Committee for Closing the Achievement Gap for our students who qualify for Free and Reduced Lunch. We are certainly proud of our educational accomplishments.

Our students learned to be good citizens through participation in community projects such as Relay for Life, the Sharing Tree, and Pennies for Patients. Leadership opportunities such as the BES Morning News, Library Helpers, and Panda Patrol are designed to assist students in becoming responsible citizens. Our faculty continually strives to meet the needs of our students to create the best learning environment possible. Our teachers continue to spend hours in staff development to learn to utilize research-based best practices to make learning meaningful for all students. This year, we had a yearlong focus on writing in partnership with the Upstate Writing Project out of Clemson University. All of our classrooms are equipped with Promethean Boards and interactive white boards, which allow teachers to integrate technology into their instruction. We continue to have strong participation in our Accelerated Reader program, with record breaking quarterly achievements during this past school year. This past summer, our students and staff participated in the No Book Left Unread reading challenge sponsored by State Department of Education and read 104,749 pages! We truly emphasize the importance of reading here at BES.

In preparation for the 2010-2011 school year, faculty, staff, SIC, PTO, students, and parents will continue to focus on student performance. We reach out to our community as we partner to continue our successes. We thank everyone who made this past year wonderful and we look forward to greater achievements in the future. Belton Elementary – Expect the Best!
