SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2009-2010 school year was an exceptional year filled with opportunities, accomplishments, and program excellence. Efforts by our students, parents, School Improvement Council (SIC), and Parent Teacher Organization (PTO), combined with our faculty and staff's initiative and vision, produced significant results in many areas. At the top of the list included meeting Adequate Yearly Progress (AYP) as well as earning a Palmetto Silver Award for producing high rates of growth and substantial progress in closing achievement gaps between groups of students

Our story begins with great progress being made for having every child read on grade level by the end of this school year. Supporting this goal included data analysis and flexible instruction based on individual student MAP (Measures of Academic Progress) scores for students in kindergarten through sixth grades. In addition, Title I funds afforded the continuation of our reading specialist positions as well as aided in lowering class sizes in grades one through six. And our schoolwide mentoring program, We Are Family, ensured each child had a special person to connect with throughout the year.

Other highlights included incorporating a Response to Intervention district plan, providing the interventions needed to close the achievement gap, enhancement of our Accelerated Reader program by offering incentives suggested by our students for goal attainment, and integration of the arts into the regular classroom activities. And, finally, professional development for teachers took center stage as teachers created personal instructional maps and an online district curriculum. The result is directly improving the instruction delivered daily and ensuring that our students receive a quality education.

Our expectations remain high for student growth. Our goal to challenge all students each day remains foremost. Together, with volunteers, PTO, SIC, and business partnerships, students are being well-prepared for the 21st century. At La France Elementary School, Learning Equals Success!
