REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

December 14, 2009 was an eventful date for Michael C. Riley Elementary School. It was on this date we had school for the first time in our new Early Childhood Center. This wonderful new facility provides 16 large classrooms for kindergarten, first grade, and two special needs classes. The move to the Early Childhood Center involved the entire school and allowed for a smooth transition of all students. Simultaneously, as kindergarten and first grade classes moved to the ECC, second and third grade teachers moved from the portables to the now empty classrooms inside the school. All teachers and staff are complimented for the many long hours of planning, packing, and moving. Over the summer of 2010, all portable classrooms will be moved off campus and the next phase of our playground improvement plan will begin.

While campus improvements created a climate of excitement, the teachers continued to focus on our main objective: providing all students with an exemplary education. Michael C. Riley Elementary School earned AYP Met Status by meeting 29 of 29 student achievement objectives. Additionally, for the third consecutive year the school received the South Carolina Palmetto Silver Award for outstanding student achievement. The school was also recognized for closing the achievement gap of historically underachieving students.

The Michael C. Riley School Improvement Council had a busy year working on a variety of issues designed to improve student achievement, school climate, and student welfare. Most importantly, the School Improvement Council, in collaboration with the school district and the School Planning and Management Team, completed the school accreditation process. We are pleased to report Beaufort County is an Accredited School District and Michael C. Riley Elementary is an Accredited School. The SIC, to support the school uniform needs of many parents, participated in two uniform swap events. This resulted in families being able to exchange gently used uniforms. The plan for next year is to continue to help parents provide inexpensive school clothing for their children.

An essential component of any successful school is to increase parent involvement while building a family-friendly school culture. At Michael C. Riley Elementary School, parents have many opportunities to become active, involved partners in their child's education. We will provide a before school open house, a "Back to School Night," and a Parent Visitation Day. We are planning many evening activities, such as Kid's Club, Family Math Night, Project REACH Programs, ESOL Family Nights, Gifted and Talented Parent Nights, Science Fair Night, and Technology Nights. We know establishing and maintaining a positive working collaboration with our parents is important to our students' success. We are grateful for the commitment the Michael C. Riley Elementary School faculty, staff, and community are making to the children and the school.

Finally, I wish to add a short personal note. It has been my great pleasure to have been the principal of Michael C. Riley Elementary School for the past 13 years. While I have been the principal at four different schools, I have gained the greatest professional and personal satisfaction at Michael C. Riley. This is an extraordinary school with a hardworking and dedicated faculty and staff. Thank you for a challenging and fulfilling 13 years.

Jay Parks, Principal
