SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Westview Elementary is home to approximately 410 fourth and fifth grade students known as the Westview Whales. At Westview Elementary, we have high hopes and expectations for both students and teachers and are committed to the continued learning and growth of both.

Our mission: Building upon our rich Lowcountry traditions, we will ignite, in every student, a passion for lifelong learning. Through dynamic instruction, creative partnerships, and exceptional support, we will foster opportunities for each student to build a Legacy of Success.

Our teachers strive to provide the best possible education for our students. Through our Professional Learning Community, our teachers combine traditional approaches with current research and innovative best-practice methods to provide a well-rounded education. Westview Elementary also knows that the key to continued improved student learning is through the continuous job-embedded learning for our teachers and staff.

Character Traits and Life Skills are integrated through the "Spouting Off Good Character" program. The Positive Behavioral Interventions and Supports (PBIS) program creates a schoolwide system of support focusing on teaching positive student behaviors. In addition, the RITZ (Reading in the Zone) reading program challenges students to become better readers by meeting their individualized reading goals and increasing their reading levels. All students receive additional time and support during the school day with small-group instruction and enrichment. Westview Elementary also provides extended afterschool care through our Whale Watch program.

Student achievement continues to be a top priority. Teachers utilize data provided by computerized MAP testing (Measures of Academic Progress) to identify students' strengths and weaknesses. Classroom curriculum is also enriched with technology in the classroom by incorporating SMART boards, Elmos, student-response systems, and interactive, wireless mobile tablets. WVE also utilizes three networked computer labs that provide individualized skills practice.

Through our shared purpose, vision, commitment and goals, the Westview staff, parents, and community will continue to work diligently to ensure every student's success in 2010-2011.
