REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Harbor View Elementary continues to strive for excellence in academics, citizenship, and educational opportunities for all the students. Our academic expectations remain very high. Harbor View is dedicated to encouraging students to become not only excellent students, but productive and model citizens. Students helping one another and contributing to the community is an integral part of their education. Our emphasis on educational opportunities for our students is reflected in student learning outside the traditional classroom environment through field trips, Math/Science nights, Raise-a-Reader, and our annual talent show, as well as theatrical and chorus productions. 2009-2010 was a stellar year at Harbor View. We were awarded the Palmetto Gold in both of the areas the award is given. The first Palmetto Gold Award was for closing the achievement gap and the other was in improvement. Harbor View has received the Palmetto Gold eight out of the past nine years. We also got Excellent in both areas of the State Report Card: the Absolute rating and the Improvement rating. Harbor View also once again obtained the Annual Yearly Progress (AYP) this year. This year, on AYP, we obtained 13 out of 13 objectives based upon student performance, participation of the students, and our student attendance rating. We are very proud of the dedication of Harbor View's faculty and staff to achieve excellence in all areas. The teachers at Harbor View strive for excellence. Our accomplishments in a large part are due to the high level of support we receive from our parents, extended families, community, and business partners. Our PTA and family volunteers provide endless support to Harbor View. Our PTA's fundraisers have been very successful and have helped provide adequate supplies, materials, and equipment to enhance the learning of our students. The new technology plan that was developed by CCSD gave all teachers new laptops and SMARTboards for their classrooms. Harbor View's active School Improvement Council (SIC) encourages a focus on academic excellence with the goal of bringing more students to their highest level on the PASS tests. Harbor View will continue to strive to provide our students with access to the latest technological advances. Each of our classes has Internet access. Students at Harbor View are encouraged to read 25 books yearly on their Lexile Level, as well as to take tests with our Accelerated Reader Program. Results from the PASS tests, MAP tests, and DIBELS testing assist us in differentiating instruction that is needed to meet the needs of each individual student. Harbor View will always continue to strive for excellence; we encourage our students to think before they act and to be the best they can be.

Tim Ellenberger, Principal
Paula Roddey, SIC Chairperson
