SC PERFORMANCE GOAL

2010 Goal:
 By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:
 By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

At Oakland Elementary School, we make data-driven decisions that benefit students. We are excited about our 2009-2010 school report card ratings! We went from below average to average overall, and from at-risk to average in improvement. We are certainly heading in the right direction. We are working vigorously to ensure that all Oakland Elementary students receive a high-quality education. We offer a homework center for students in grades three through five. All groups meet three times a week for two hours each session. During each of these sessions, certified teachers focus on all content areas and assist with homework and assignments. MAP (Measures of Academic Progress) data is used to progress monitor individual student growth in these groups.

All students use agendas for daily homework assignments and parental communication. All teachers are required to conduct first and third nine weeks conferences with the parents of each student in their homeroom. Home-school folders go home each Wednesday with all students, and our school newsletter goes home every other week. This newsletter details information relevant during that two week period.

All students have opportunities to receive awards. They earn ribbons for MAP gains and recognition at nine weeks awards ceremonies in grades three through five (perfect attendance, principal's list, honor roll, most improved, and good citizenship awards). A monthly Terrific Kids program recognizes a good citizen from each class. PBIS (Positive Behavioral Interventions and Supports) good behavior tickets are pulled weekly on the student morning news show.

We use a student concern team (CORE) to address individual student needs. Data, such as MAP reports, DIBELS (Dynamic Indicators of Basic Early Literacy Skills) reports, and PASS (Palmetto Assessment of State Standards) data, are utilized to identify students that need additional assistance to reach their maximum potential in all areas. Interventions are incorporated into student schedules and progress monitored to ensure that the interventions are yielding desired results. Voyager, Academy of Reading, CompassLearning, and Headsprout are examples of interventions used at Oakland Elementary School. All students are required to read a minimum of twenty-five books on their reading level each year.

All grade levels meet individually with our school based instructional support staff and administrators weekly. During these meetings teachers discuss effective instructional practices, design common assessments, and create instructional calendars.

At Oakland Elementary School, we are very proud of our students and their success. Working together, our goals for excellence are achievable!
