SC PERFORMANCE GOAL

2010 Goal:
 By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:
 By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Orange Grove Elementary Charter School is located in the West Ashley area of Charleston, South Carolina. This is our fifth year as a Charter School.

□ We draw our students from a wide range of cultural and socio-economic areas. Our school houses three self-contained special education classes in addition to two resource programs where students are mainstreamed when appropriate. We offer a traditional education that focuses on the basics, while enhancing the curriculum with technology, creative arts, and other programs.

Significant accomplishments and notable awards are the direct result of dedicated and motivated teachers and parents. For years, Orange Grove has been known for its exceptional levels of parent and community involvement. We have repeatedly achieved recognition for excellence at the local, state, and national levels. One of many significant accomplishments that speak to the excellence of Orange Grove is the 19 years we have received SC Incentive Awards for faculty and student attendance and student test scores, a claim that can only be made by a few schools statewide! We have received the Palmetto Gold Award three times, and this past year, we also received the Silver Award for the fourth time. We have been recognized by the S.C. Education Oversight Committee for closing the achievement gap through exemplary PASS performance of historically underachieving students. We have received this award five times--quite an accomplishment! We expect to continue this accomplishment.

Our focus for this year is to infuse more technology into our curriculum and provide the staff development training to go along with it. We will also use MAP data to drive our teaching strategies and allocation of resources.
