## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The vision of Lewisville Elementary School is to become a collaborative learning community that is recognized as a leader in academic excellence throughout the state of South Carolina. In order to achieve this vision, we must work together as teachers, parents, and community members to address any concerns that may hinder the academic and social progress of our student population.

At Lewisville Elementary School, our main objective is to improve the academic performance of our students. This goal was addressed by our continued implementation of the Discovery Room Program in K-1 and utilizing Measures of Academic Progress (MAP) RIT scores to determine the educational needs of our students. These programs have made a profound impact on student achievement as evidenced by our spring MAP scores, Discovery Room DRA results, and the 2009 Palmetto Assessment of State Standards (PASS) data. As a result, LES was awarded the Palmetto Silver Award for Academic Excellence and met Adequate Yearly Progress (AYP) in 2009.

This year Lewisville Elementary School provided a plethora of programs to improve character development in our students such as: Student of the Month, Perfect Attendance, Honor Roll, and the Governor's Citizenship Award. LES also participated in a number of community service programs that included: LES Student Council Food Drive, Jump Rope for Heart, and the Founders Federal Credit Union in-school banking program for students.

Students at Lewisville Elementary have access to a number of activities and programs at school. Students have the opportunity to participate in the Cub Club, Chess Club, Step Team Club, Dance Club, Mileage Club, Wee Deliver mail system, Girls on the Run, WLES morning television show, Flag Patrol, Safety Patrol, and the Student Council.

In the future, Lewisville Elementary will continue to address the need of increasing student achievement scores in science. Our test data also indicates that we must focus on raising the achievement scores of our African-American pupils and students that receive free or reduced price lunch. Hopefully, with the support of teachers, parents, and the community, we can address these identified academic needs to ensure that our students are prepared to meet the challenges of the future.
