REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

At Oakbrook Elementary School, we have truly lived our motto this year of "Opportunities for Everyone to Succeed with rigor, relevance, and relationships." Our mission statement, "Oakbrook Elementary provides students with the skills necessary to be productive citizens" drives our curriculum decisions to meet the multi-faceted needs of our students. We continue to thrive in a high growth area in our district. This year we served approximately 1,160 students in grades 4k – 5. Our 100 member faculty and staff work together to create a family-friendly, positive atmosphere for our students.

Oakbrook Elementary has strong parent and community support. The PTA and School Improvement Council continue to support our educational initiatives. Input from these groups allows us to analyze data and look at programs that will provide the best learning environment for our students. With stakeholder input, the school began sending home parent communication folders school-wide. This year was also the first year Oakbrook Elementary was a school-wide Title One school. Our Title One plan included many staff development activities for our teachers, after-school tutoring, and literacy and math academic assistance in grades 1, 3, 4, and 5. In addition, our teachers embraced participation in Professional Learning Communities, where the focus was on learning, collaboration, and student results.

As we strive to reach our goal of having all students score exemplary on PASS, our staff will continue to research and implement best instructional practices to meet the needs of our students. Our challenges include continuing to meet Adequate Yearly Progress and demonstrating continuous improvement on our state report card. With new students enrolling at Oakbrook Elementary throughout the year, we quickly need to identify their strengths and weaknesses in order to maximize their instruction during the school year. To meet these challenges, we employ our content interventionists, school-based instructional coaches, a Title One facilitator, and an Instructional Technology Specialist.

With our staff, parents, and community working together, we will continue to "Plant Seeds of Excellence."
