SC PERFORMANCE GOAL

2010 Goal:
 By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:
 By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Goals and Objectives: Blythe Academy of Languages is a foreign language magnet school that offers the only partial immersion program for both French and Spanish in the state. The partial immersion program offers a half day of instruction in math, science, and health in the target language. English/language arts and social studies instruction is provided in English. FLES (Foreign Language in the Elementary School) is offered to students not enrolled in the immersion program. These students receive 30 minutes of instruction daily Spanish. The faculty and staff of Blythe Academy worked together with parents and community representatives to develop a shared vision and school goals for the 2009-2010 school year. These groups reviewed the most recent test data, SC state standards for learning, and the Education Plan of the School District of Greenville County. Priority goals for Blythe Academy were to improve student performance in Mathematics, English/Language Arts, Science, and Social Studies as measured by PASS. Strategies adopted to support these goals included Quality Tools training for teachers; Four Block Reading; Everyday Counts Math; use of math manipulatives; improved alignment of curriculum with state testing; school-wide writing and editing rules; specialized computer software; technology integration; and thinking and reasoning activities. Newly implemented and/or expanded programs this year included Compass Learning software for all grade levels, Response to Intervention in Reading (Rtl) for grades 1 and 2, and Early Response to Intervention (ERI) in 5K. The computer lab manager worked with classroom teachers to integrate technology into the academic curriculum. A PTA sponsored tutorial program provided assistance to struggling readers. MAP data were used to more effectively guide instruction and monitor student progress. Our SIC (School Improvement Council) worked with PTA on our goal of updating and improving technology use and integration, and encouraging community and parent involvement in school activities. All school strategies were aligned with and supported the five goals of the District Education Plan. Success will be measured by student performance on standardized tests, and parent and student surveys.

Accomplishments: Blythe Academy Kindergarten and first grade students were assessed using the SC Readiness Assessment Test. Blythe Academy PASS and ITBS scores are in line with district and state scores. Blythe met 19 of 21 Adequate Yearly Progress objectives based upon spring 2009 PASS (up from 17 objectives met in 2008). Blythe Academy is the only International Spanish Academy school in SC. Enrollment in the magnet program continues to increase.

Plans for the future: Examination of the most recent test data will be critical in planning for the 2010-11 school year. MAP (Measure of Academic Progress) testing, continues to provide detailed information regarding student performance and instructional needs of our students. Results from various surveys administered to students, parents and staff will be studied. Faculty and staff, SIC, and PTA will all be involved in establishing specific goals to improve student academic performance and school strategies to support the Education Plan of the District.
