REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Strategic plans for determining school direction in the areas of curriculum and instruction, student achievement, and facilities are developed by all stakeholders at Tigerville. Yearly, the plan is revisited, updated and changed to meet the needs of the students. Teachers, parents, administrators, and community members set school goals that correlate with Greenville County Schools' Education Plan: Goal 1: Raise the Academic Challenge/ and Performance of Each Student, Goal 2: Ensure Quality Personnel in all Positions, Goal 3: Provide a School Environment Supportive of Learning, Goal 4: Effectively Manage and Further Develop Necessary Financial Resources, Goal 5: Improve Understanding and Support of Public Schools.

During the 2009-10 school year, focus learning groups were created based on individual student skill analysis determined by MAP RIT scores in Reading and Math deficit areas in grades 3,4, and 5. Specific instruction was then given to the students on a weekly basis for 6 weeks prior to PASS testing.

PTA and SIC members worked closely with the school to evaluate the programs that were utilized for academics and character education. Discussions and cooperative planning between the two parent groups was phenomenal and is working to benefit all students in the school. "Disabilities Awareness Day" continued through volunteer assistance from these parent/school groups.

Our mission to provide quality educational experiences tailored to meet the individual needs of students is constantly revisited by staff members, parents and community volunteers. We believe learning must include instruction that is aligned with state standards, integrated, and includes opportunities for the use of technology and writing. The instruction is multi-level, takes place in individual, small, and large groups, and addresses the diverse learning styles of our students. A variety of assessments inform our instruction - MAP testing, rubrics, benchmarks, observation, peer and student evaluations, and learning style needs. Our school has a community atmosphere in a bright, child centered facility with high expectations, supportive administration and a highly qualified and collegial staff. We envision a school with mutual respect, responsibility and cooperation among the home/school community, the curriculum meets the needs of all students, and the environment is safe and inviting to all.
