REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Fennell Elementary is a family and community school working and growing together with the community. We are impressed with the growing level of parental engagement and community involvement. We added eight new volunteers to our program this school term. It is our goal to continue partnering with parents, volunteers and the community to provide an educational program, within a learning environment, which fosters the growth of the whole child to ensure quality learning.

We are implementing scientifically research-based practices in our total academic program. These strategies have provided us with skills to become better readers and writers. As a result of reading intervention, we are now closing the achievement gap in learning.

We are providing Academy of Math and Reading to all students in need. We are providing tutorial service to our students. The 21st Century program augments academic and culture programs for our students.

We made 2010 Adequate Yearly Progress and were the recipient of the 2010 Red Carpet School Award for family-friendly atmosphere, customer-focused service. We received an excellent rating on our four-year-old program.

We are committed to quality education for all students. Therefore, we ask your support as we put children first.
