REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

This year we have gotten off to an excellent start. We have used data as a basis to establish our foundation for we realize that the elementary level is essential in creating a solid foundation for all students. In an effort to improve our school status, we enrolled our students in the K-2 Enhancement Program and the 3-5 Enrichment Program (REACH) in the afternoons to work on skills that our students have fallen behind in, and as of this date these programs have proven to be an excellent source of enrichment. It was our goal to help our students with skills where they currently had a deficient.

We would like to thank each and everyone of you for all the support that you have given us this school year. Based on our MAP data, as well as, our Mock Test data, we have also initiated RIT band pullouts that have targeted areas of weakness for the PASS test and have given our students an added opportunity to be successful on the our state assessment test. Our students have also participated in several service learning activities such as:

Snatch 'n Shoot where students brought in toiletry items for our neighborhood nursing home
Collecting teddy bears and spare change for the students in Haiti

Souper Bowl of Caring can food drive

The SIC committee has been working effortlessly with our parents and the Town of Estill to beautify our school. They are also working together to help power wash the exterior of the cafeteria as well as paint the outside of our school. Everyone has been committed to working together to help our students have an excellent year, and again we would like to thank everyone for your support.
