 Elementary schools statewide

NAEP PERFORMANCE*

* Performance reported for SC and nation, data not available at school level. Percentages at NAEP Achievement Levels.

SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Kingston Elementary is a community based rural school serving students in Child Development through fifth grade. Our students are provided challenging and meaningful instruction through the skills of highly qualified teachers. The 2009-2010 school year has been a successful one. Increasing reading comprehension skills in grades three through five was a priority for the year as established by the instructional staff. We continued our efforts to enhance literacy instruction. As a result, teachers participated in professional growth and collaborative planning activities with a focus on content vocabulary development, the use of lexiles, and integration of content material. Staff development with the CORE reading consultant enhanced instructional efforts. DIBELS was used as a reading assessment for kindergarten and first grade. Eighty nine percent of kindergarten students and seventy eight percent of first graders reached benchmark. Students in grades three through five received grade level reading instruction in a whole group model while small group instruction was provided for remediation or acceleration. Literacy workstations were refined to allow for independent reading time and fluency practice. The performance level of students in mathematics continues to be higher than ELA. To ensure continuous growth, students work in TEAM time groups for forty five minutes of daily math skills lessons. Additionally, our students participate in monthly writing prompts, integrated use of technology, and during school intervention sessions. Local school funds continue to support staff development activities for staff members and provide instructional materials for teachers and students.

The staff and school community share the mission to provide all children opportunities to excel in academics and develop positive social behaviors. The PTO works collaboratively with the staff to provide parenting workshops and family activities. The Active Parenting workshop and preschool storytime were well attended. School Improvement Council worked to increase the number of volunteers involved in school activities. Through these efforts, each classroom was provided with at least one volunteer to tutor students in academic areas. Community and service related activities included Jump Rope for Heart, March of Dimes, CAP food drives, and HTC recycling. Fourth grade students received numerous awards for recycling efforts with the Solid Waste Authority. Students enjoyed enrichment of the arts through activities such as Fine Arts Day, May Day Play Day, Bingo for Books, and field day. The families and community members made events such as Grits for Grandparents, Muffins for Moms, and Doughnuts for Dads a tremendous success.

Kingston Elementary parents and staff feel this is a safe school where their children are challenged academically and appreciated personally. We will continue to strive for excellence and work to ensure all students reach their academic potential. Achievements of Kingston Elementary are due to the dedication of its students, school staff, parents, and community. The support of the community at large is appreciated in our quest to provide a quality learning experience for all students.
