## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Socastee Elementary had a busy and rewarding 2009-2010 school year. We started the new year with new administration, as we continued with our family-friendly Red Carpet status. Computer assistance was offered in math and ELA, along with Homework helper time each morning before school. Our two technology labs were updated with new computers where students used software programs such as Compass Learning, Larson's Math, and Everyday Math Interactive Games. Our Title One funds supported an instructional coach, reading interventionists, parent workshops, and site visits from consultants for our staff. Kindergarten assistants worked with students in small groups to improve student literacy skills with BURST interventions. Students received instruction on their level in reading and math focus groups. Planning and instruction was based around the data from MAP (Measuring Academic Progress), DRA2, Dibels, student work, and responses. Teacher and student conferences were held throughout the year to determine student achievement goals and assess the progress toward those goals. The dedication and commitment of the Socastee teachers and staff provided for a productive year.

Students, parents, and the community raised money for March of Dimes and American Heart Association Jump Rope for Heart. PTO sponsored successful fundraisers, family events, and student reward programs. PTO also purchased and sponsored a new sound system, family movie nights, Spring Fling, Choral Presentations, and 3rd, 4th, and 5th grade year-end celebrations.

Community support came in generous gifts from the "Caring for Kids" organization on a weekly basis. Along with "Caring for Kids," many other area food retailers provided rewards to students in the form of coupons and certificates for achievement and attendance. Many hours of volunteers' time were logged in helping students with academic and character development. We worked closely with Coastal Carolina University to sponsor mentors in grades K-5 and with Socastee High School. We are striving to provide students with a stable quality environment where students can reach their potential.
