REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

During the 2009-2010 school year, our instruction was data-driven along with our Focus School Renewal Plan, curriculum and pacing guides. Our professional development focused on providing appropriate, differentiated instruction and character building.

We analyzed data from the Report Card, District and MAP Benchmark Testing to plan instruction and remediation. We also continued to implement MAP focus groups to reinforce skills taught during regular instruction to strengthen math and reading skills.

We continued to implement the Save the Children Grant that provides funding for Early Childhood Services to 50 children from birth to 5 years of age and a reading intervention program for students in grades K- 2. It also provides services to their parents and an After School Literacy Program to target 45 children in grades 2-5. The Save the Children Grant will also fund a summer enrichment program for the 2009-2010 school year. A literacy program was funded through Title 1 provides enrichment in reading and ELA.

We are the proud recipients of the Red Carpet Award for the 2009-2010 school year!

Parental involvement continues to increase as we offer opportunities for parent and community involvement through our School Improvement Council, PTO, parent conferences, and awards programs. We continue to communicate with stakeholders through newsletters, progress reports and report cards. Ms. Diana Williams, a Kindergarten teacher, was selected Teacher of the Year.

Staff development in all academic areas is ongoing as we strive to prepare our children to be successful at the next level.
