REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Our school theme for the 2009-2010 school year has been "Academic Success Under Construction." Just as a building must be constructed on a solid foundation, our students must have a solid foundation in reading in order to build a successful academic career. Our faculty and staff take pride in laying a strong foundation for future academic success in all of students. We want to prepare them to be lifelong learners. Parents reading at home with their child are a vital component in this success.

Student achievement is always our main goal at Liberty Elementary. Our faculty, staff, and administration work hard to provide a safe, caring, and academically challenging environment for our 833 students. Our goal is for each of them to learn and reach their full potential.

To achieve this goal we feel it is our responsibility to make sure that our teachers receive staff developments in cutting-edge teaching strategies and best practices in education. Our teachers implement the district literacy model which includes guided reading, content area reading, Accelerated Reader, Write From The Beginning, and Reading Recovery. Our staff uses Thinking Maps, Every Day Math, and science kits to deliver content.

We appreciate the continued parental support we received this year. Parent communication and support is essential to the success of any school. Therefore, we use a variety of forms of communication to inform parents of how their child is doing in school. We communicate through weekly folders, the Parent Link phone system, newsletters, and agendas. We also offer a variety of ways for parents to become involved in their child's education. Some of the opportunities for our school involvement include the School Improvement Council, PTO, parent nights, and the volunteer program. The school, family, and community must share the educational responsibility to produce students who are effective members of society.

Liberty Elementary is proud to be a PBIS school that promotes a positive learning environment. Through the PBIS program, we recognize student success in positive ways including PAWS (Principal's Award Winning Students) and the Leader of the Pack award for exceptional behavior. We have a firm belief that each child is special and unique. Through a child-centered learning environment, we provide the students with a variety of opportunities to be successful. Whether it is through art, music, physical education, or academics, our students are allowed to find their strengths and pursue them. We embrace these strengths and differences to encourage our students to make positive contributions to our community and prepare tomorrow's workforce.
