SC PERFORMANCE GOAL

2010 Goal:
 By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:
 By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Watkins-Nance Elementary remains committed to improving student achievement. As a result, the school made great progress during the 2009-10 school year.

As always, emphasis was placed on core subjects such as English/language arts (ELA) and math. These areas were addressed in exciting ways by newly adopted programs such as SIPPS in ELA and GroundWorks in math. These programs supplemented ongoing efforts with instructional programs such as Soar to Success, Accelerated Reader, and classes in our SuccessMaker computer labs.

Our school has continued to provide special activities, such as extended school day programs, to ensure student success. These included our Monday Academy, Early Bird, and after school programs. Staff members were assisted in their efforts by retired teachers who provided tutoring during the regular school day, enabling students who needed academic help to receive it in a small group environment. Lunch Buddies and mentors from Fort Jackson's DPTMS office, St. John Baptist Church, BellSouth, and Omega Psi Phi Fraternity helped motivate students to achieve behavioral and academic success.

Our staff development activities focused on improving student performance on the Palmetto Assessment of State Standards (PASS), student motivation, character education, and teachers' accurate assessment of student achievement, while providing appropriate instruction based on state standards and benchmark results, and designing weekly tests to measure specific skills required to do well on state tests. Effective grade-level planning for instruction, as well as weekly grade-level and district assessment testing were conducted to strengthen students' test-taking skills.

Students were recognized for academic achievement at bi-annual award ceremonies. Our Honor Student program, Student Association activities, Career Fair, and Science Fair enhanced students' academic and character growth.

Watkins-Nance employed many parent/community outreach programs. These included "Books and Breakfast" and "Books and Bites" parent workshops, parent-teacher conference incentives, and parent-student academic sessions.

In spite of our successes, we still have some barriers that inhibit progress. These include having about 50 percent of our students enter school without preschool experience, limited parent participation, and limited reinforcement of academic skills at home. However, we are gaining in these areas and are proud of our progress.

The school was recently recognized for achieving Adequate Yearly Progress (AYP) on the 2008-09 PASS. We also met many of the goals we set in our School Improvement Plan, such as improving student reading scores and increasing the number of students promoted to the next grade. However, we know that we can do more. Next year promises to be even better!
