Report of Principal and School Improvement Council

The students, faculty, and staff of Chapman High School continue to reap great successes of hard work. Our school theme is "Mission Possible" and we are proud of our students as they continue to achieve accomplishments with excitement and pride.

During the 2009-2010 school year, the faculty and administration continued to focus on literacy with a concentration on peer coaching. We fully implemented our Guidance Advisement System, CHAMP (Chapman High Advisement and Mentoring Program) to all students.

The Guidance Department continued its focus on academic advisement by meeting individually with every student and also hosting informational parent and student meetings for each grade level. Counselors guided students in the development of Individual Graduation Plans to assist students with researching and organizing future college and career opportunities.

There also was a continued focus on the improvement of SAT, ACT, HSAP, AP, and EOC scores. Through a concentrated effort to raise awareness and expectations for all areas of assessment and the development of benchmarks for all classes, students and teachers worked hard in preparation for these tests. All tenth graders took the PSAT and PLAN to help prepare them for future assessments.

The implementation of "Class.com" Learning at CHS helped students in the area of credit recovery, while Apex learning assisted students in the area of Advanced Placement courses. These programs allowed students to recover credits and move ahead by providing more opportunities as well as a different way to find success.

Being a Red Carpet school, we pride ourselves on being family-friendly and customer-oriented. In addition, the faculty, staff, administration, and students participated in many community service projects and raised over \$20,000 for various charities. The Class of 2010 earned over \$3,900,000 in scholarships to help further their education.

The Fine Arts Program and Athletic Programs at CHS continued its trend upward with increases in participation and success. Most notable is the fact that approximately sixty percent of our student body participated in extra-curricular activities.

The AFJROTC won the Distinguished Unit Award and continued its participation in flag retirement ceremonies and many other community service-oriented projects.

The 2009-2010 school year was unique in many ways. Our strong tradition of excellence remains in tact. Moving forward in pursuit of even higher expectations is a top priority and we are confident in the future of the students that attend Chapman High School.
