REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Community of RS-M High:

Ridge Spring-Monetta High School is still the Best Little High School in South Carolina. We fought through a few transitional challenges in 2009-2010 to produce a Palmetto Fellows Scholar, ten Life Scholars, individual recipients of the EnergySolutions Scholarship, recognition of the FFA at the National Conference, a National Beta Club Scholarship recipient, Marching Band State Finalists, and a host of other honors, awards, and recognitions.

RS-M High received an Absolute Rating of Average on the School Report Card and, unfortunately, did not meet Adequate Yearly Progress (AYP). Our graduation rate dipped slightly and we did not accomplish the goals we set for end-of-course testing. Those facts notwithstanding, RS-M High is striving to improve achievement and school/community relations.

Our school and community are in the early stages of administrative and philosophical transition. The need for interactive, dynamic partnerships between the school and community are vital to sustaining the success that we have earned during the past nine years, earning Palmetto Gold Awards in six of them. I fully agree with my predecessor that "we [receive] support from our area superintendent, advisory council, community, parents, assistant principal, guidance counselors, cafeteria staff, librarian, support staff, SRO, maintenance and custodial personnel. All of their efforts are the reasons the school has been so successful." The next step is to raise those efforts to an even greater level, motivating our students to want the very same for themselves.

Ridge Spring-Monetta High is committed to creating an environment that sends productive citizens to college, our military, and into the workforce. We look forward to the challenge of addressing our weaknesses and augmenting our strengths. RS-M High is still the Best Little High School in South Carolina.
