REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Belton-Honea Path High School continued to focus on instruction during the 2009-2010 school year. The faculty and staff focused on updating and aligning all core curriculums with state standards, maintaining SAT scores at or above the state average, improving HSAP scores, and improving student performance on End-of-Course tests. A pilot group of teachers developed lessons using the Strategic Instruction Model (SIM) Content Literacy Continuum (CLC) in their classes in an effort to establish a schoolwide approach to improving literacy for all students. The Xtreme Reading program was expanded and Strategic ELA classes were added to help struggling readers.

During March, a Quality Assurance Review Team visited Anderson District Two and BHP. The Review Team was very impressed with our school and district. Following observations and interviews with parents, teachers, students, and community members, the team expressed to school administrators and district personnel that there was a feeling of family and a "children first theme" in the district.

Good students, quality teachers, and a supportive community continue to be the strength of Belton-Honea Path High School. Our Agriculture program, Marching Band, Concert Choir, and JROTC Program continue to be rated some of the best in the state. Athletic teams continued to fair well with football, wrestling, baseball, softball, men's and women's soccer, and both tennis teams qualifying for playoff spots. The Class of 2010 earned \$2,733,671 in academic, athletic, military, and work scholarships.

Community support for our school has been excellent. Parents, business, industry, and the WebbCraft Foundation have given tremendous support to teachers, athletics, band, chorus, FFA, JROTC, and our Renaissance Program. Local business and industry along with the WebbCraft Foundation provided seniors with over \$21,000 in scholarships at our annual Evening of Excellence.
