SC PERFORMANCE GOAL

2010 Goal:
By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:
By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

West Ashley High embraces the belief that we must educate, encourage, and empower all of our students to achieve success in all facets of their high school careers and beyond. We serve a diverse student population of 1900 students. Our teaching staff of 127 teachers works diligently to create a learning environment in which teachers and students can work together to maximize the opportunities our students have to grow cognitively, socially, and emotionally. This talented and dedicated faculty engages in many hours of professional development to explore and implement differentiated instruction, strategies that engage students in the learning process and effective ways to incorporate technology into the delivery of instruction as part of the High Schools That Work comprehensive reform initiative. These focused efforts supported the success of our students as reflected in our achievement rating and in meeting the challenge of serving struggling readers. We have made significant progress in closing the achievement gap.

The focus on student achievement and academic excellence guided decisions to offer ten Advanced Placement courses and nine Dual Credit courses. Teams of teachers revisited the rigor of the curriculum and alignment with the SC Curriculum Standards along with instruction and assessments to ensure that students are well prepared to advance to college, military service, or employment. Students earned \$4.5 million in scholarships, 115 Life Scholarships, and 4 Palmetto Fellow Scholarships. WAHS continues to be fully-accredited by the Southern Association of Colleges and Schools (SACS) and the S.C. Department of Education. Career paths in Health Science, Engineering, Culinary Arts, and Maritime Science were strengthened and/or added to the curriculum as we focused on cultivating curriculum offerings that integrate relevance and a heightened sensitivity to preparation for post-secondary opportunities for our students.

We recognize the diverse abilities, interests, and aptitudes of our students and offer an array of extracurricular activities to cultivate teamwork, in addition to the skills and knowledge that build confidence, leadership, and problem-solving skills. Students produced a yearbook that was nationally recognized, our JNROTC Rifle Team earned 1st place in state and regional competitions and placed in national rankings. The Fine Arts Department achieved state recognition with superior ratings, the chorus likewise received superior ratings at state competitions, and the art students' works won multiple recognitions and are included in a display at the Charleston International Airport. Athletic teams in football, basketball, soccer, and volleyball advanced to playoff competitions.

Our strong network of business partners, community supporters, and the families of our students join us as we strive for excellence and lead our capable students into a promising future.

Mary T. Runyon, Principal
Robert Vernoe, School Improvement Council Chair
