REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Hannah-Pamplico High School is located in a rural setting that is beneficial to our performance and dedication to our students. We have had another successful academic year by receiving a rating of Average for the 2009 report card. We also had the pleasure of being awarded the distinguished Summa Cum Laude ACT Award of Achievement for excellent growth in our ACT scores. Although we are a small school, over half of our students participate in athletics and/or student government. Our students also participate in various student publications, service projects, a community arts festival, and an African-American Read-In.

We provide our students with various forms of academic aid, such as peer tutoring, job shadowing, subject-related field trips, competitions, and a credit-recovery program that enhances the academic foundation of every student. Students and community members are also a vital part of our School Improvement Council as they made key decisions on school-related issues.

It is an honor and a privilege to recognize just a few of our academic and athletic accomplishments: 3 students scored 1200 or higher on the SAT; 1 student scored 24 or higher on the ACT; 2 students were Palmetto Fellows recipient; 27 of 73 seniors are eligible for the LIFE scholarship based on the CHE standards; 3 of 73 seniors are eligible for the HOPE scholarship based on the CHE standards; 1 student will participate in the SKILLS USA National Conference; and our Automotive Technology Department maintained its NATEF Certification.

Our rural community provides us with a family-oriented atmosphere that is a vital part of our academic and social growth. This characteristic fuels our continuing effort to achieve excellence, which is the foundation on which we build our success.

Bert Livingston, SIC Chairperson
