REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission of Ware Shoals Jr/Sr High School is to provide a safe, challenging, and educational environment that meets the unique needs of our students while preparing them to be respectful, productive, and responsible members of a democratic society.

Entering the 2009-2010 school year, the faculty, staff and school community of Ware Shoals High School established three goals: 1) Maintain and improve the literacy initiative, 2) Continue the process of providing extra help, and 3) Increase rigor and relevance in the classroom. As evidenced by a successful Technical Assistance visit by members of the High Schools That Work Assessment Team, Ware Shoals High is committed to continuous school improvement.

Gaining momentum from the increased Absolute and Improvement ratings on the 2009-10 school report card, Ware Shoals Jr. High is continuing to seek excellence by adopting the Making Middle Grades Work reform model. Teachers will be conferencing this summer and incorporating newly learned best practices into their daily lessons. We are excited to have had offered Agricultural Science as an exploratory class, and in 2010-11 Jr. High students will be able to earn a high school keyboarding credit, fulfilling a requirement for graduation.

The faculty and staff at Ware Shoals Jr/Sr High is dedicated to providing continuous learning for all students by empowering them to be actively involved in their education and by providing varied opportunities for successful achievement of high standards.
