SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Improving student achievement continues to be the focus of Estill High School. During the 2009-10 school year, we continued to build upon newly implemented programs, which were aimed at improving student achievement. Changes to the school and district leadership over the past several years has had an impact on the school climate, curriculum and instruction, and planning for our students' future. Change is a reality of life and we are committed to continuing our efforts toward having a quality school of excellence.

This year, we continued with reinforcing HSAP skills through an afterschool program for students who failed one or both parts of the HSAP.

Estill High School teachers also provided extra help to individual students who needed academic assistance. There were other opportunities offered to help students who needed extra support. These opportunities include computer-assisted instruction program, an after-school homework center, and enrichment/remediation classes to prepare students for the HSAP, End of Course Tests and the SAT/ACT, and offering courses of college credit on campus. To help prepare students to succeed in post secondary-education, all eleventh grade students participated in the South Carolina Gear Up program. As a HSTW site, we continued to focus on implementing the ten key practices. This is our eighth year as a HSTW site. Our students excelled in many activities. Our Army JROTC continues to be recognized as an Honor Unit with Distinction. Students participated in many programs, including Upward Bound and Talent Search. Career and Technology clubs were active this year, and the Debutantes completed several service projects in our community.

We believe that our mission is to ensure that all students reach their potential by providing challenging educational experiences. We must work together with the parents and community to instill character and pride in self, school and community. We encourage our students to strive for "Success And Nothing Less, And Failure Is Not An Option!"

Mr. Freddie Solomon, School Improvement Council Chair
Mr. Ron O. Youmans, Principal
