REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission of Lugoff-Elgin High School is to give every student the opportunity to succeed in an increasingly complex society. Our teachers have completed the second year of High Schools That Work implementation and participated in a Technical Assistance Visit. Our focus has been on Academic Studies, Career/Technical Studies, and Guidance. Six of our teachers received National Board Certification bringing the total number of teachers with National Board Certification to twenty-six. Robert Ondere was recognized as a Milken Award winner.

This year we piloted the use of StrengthQuest with our 9th grade students and used the techniques of Teach With Your Strengths. We expanded the number of students involved in our Senior Projects. We also increased the number of students enrolled in AP and Dual Credit classes.

The class of 2010, consisting of 315 graduates, earned over 3.1 million dollars in scholarships and had one National Achievement Semifinalist. Ninety-five of these seniors qualified for the LIFE Scholarship and fifteen earned the Palmetto Fellows Scholarship. Eighty-nine seniors were honor graduates, and fifty-one earned the Kershaw County Academic Medal. Over seventy-five percent of our seniors plan to continue their education beyond high school.

We constantly strive to improve our school through innovative programs, technology, and community involvement. We were recognized as a Palmetto Silver Award School. In our seventh year of I-CAN project, students in all grades received laptops to use at school and home. Our classrooms are equipped with LCD projectors and Promethean Boards. The boards integrate with the laptop computers to enhance teachers' ability to engage and instruct students. We conducted a Showcase of Majors by providing parents an opportunity to discuss their child's career cluster with teachers and guidance counselors. This year we continued a monthly lecture series. The "Thirst Lectures" featured a teacher and a student who spoke on a variety of topics. The Holiday Hopes program displayed student talent as well as provided students an opportunity to assist the community. Clubs chose county charities and helped them by providing money, food, toys, and clothing. Our National Honor Society and Beta Club joined together to create our school Relay for Life Team. They collected over \$6,000.

Extracurricular activities continue to make a positive impact on students. Our wrestling and baseball teams won the State AAA Championships. Our journalism and newspaper programs received numerous state awards. One journalism student was elected to serve as the student president of the Southern Interscholastic Press Association. LE Winter Guard Units (Genesis and Utopia) continue to be competitive in the both the SCBDA and CWEA Circuit Championships. Utopia traveled to Dayton, Ohio to compete in the WGI World Championships in April. Our band director, Glenn Price, is the President of the South Carolina Music Educators Association.

Lugoff-Elgin High School enjoys the support of a growing community committed to making our school an exemplary high school. Students, teachers, parents, and community members work jointly to make LEHS a place where students thrive, experience success, and receive the best possible preparation for post secondary endeavors.
