REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

At Orangeburg-Wilkinson (O-W) High School, our aim is to develop well rounded students who will contribute to societies all over the world. We provide an atmosphere that is conducive to learning for all students. We also provide support to our teachers and parents, who greatly influence our students.

Orangeburg-Wilkinson High School offers an International Baccalaureate (IB) Program, as well as college prep and AP courses, which allow students the opportunity to be challenged both academically and socially and to continue to use best practices for student learning. We are recognized as a model High Schools That Work (HSTW) site.

We continue to outreach in our community which in turn supports our efforts of providing a quality education for kids. Our parents favorably support our efforts through Booster Clubs and other organizations. The overall level of parental participation increases each year.

Our focused School Renewal Plan this year, as mandated by the SDE, includes improving test scores in all areas of math, science, social studies and ELA. We use Nova Net to assist students in meeting graduation requirements and recovering lost credits.

Orangeburg-Wilkinson High School students continue to excel in the arts and academics. Our students were nationally recognized this year for their outstanding work. One student received the National Scholastic Art Program scholarship award. In addition, our school chorus was selected to appear on the program "Celebrate America," shown nationally and locally on SCETV, and they received an "Excellent Rating" awards at state band competitions. Over seventy percent of our graduates have been accepted to post-secondary colleges and universities.

At O-W, we ask our students to commit to three requests; come to school, be on time and do their best. Our students have and are committing to these requests daily. We love our students and we love our community. We believe that the best is yet to come at Orangeburg-Wilkinson High School, and we are excited.
