## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

A new slogan that you will begin to see and hear is "We-Expect-Success." "Personalization" continues to be our guiding principle to promote student achievement and staff development. Recent South Carolina legislation (Education and Economic Development Act - EEDA), the Southern Association of Colleges and Schools plan, requirements to implement Small Learning Communities, and other Richland School District 2-directed expectations are all intended to help us accomplish an increase in the academic success of all of our students.

To accomplish our personalization focus we continue to ensure that opportunities are available in what I call the four A's:

Academics, Athletics, the Arts, and Student Activities. This focus has led to the implementation of an extremely successful Medical and Health Science magnet and continued advancements in our activities, athletics and arts programs.

Ridge View has been recognized as a Palmetto Gold Award winner for closing the achievement gap.

We will continue our very successful credit recovery and retrieval computer programs for qualified students using the NovaNet and ALEKS systems.

The Advisory Program has been very successful and students will continue to benefit from this personalized approach to guide their academic and social choices.

To help ensure our commitment to focus on the success of each student, the involvement of our dedicated parents is expected. Our efforts continue to include parents in the education process of their children.

To simplify all of the demands of the above expectations we will continue to focus our resources on the accomplishment of the following goals:

- Goal #1: Ensure academic success for all students.
- Goal #2: Ensure all students have a sense of belonging to the school and community.

Over the next year and a half one of the most exciting ventures will be to see our facilities updated and receive a major addition. While this will appear messy work, the results will significantly benefit our students.

Dr. Marty Martin
