REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

South Carolina Virtual Charter School (SCVCS) is a public virtual charter school serving students in grades K-12. SCVCS opened in 2008-2009 and has successfully completed its second year of operation. SCVCS offers a robust and challenging curriculum to K-12 students throughout the state. All courses meet state and national standards while providing a degree of flexibility to meet the individual students learning style.

SCVCS provides online course and class work. All classes are taught online by fully-certified, highly-qualified, experienced educators. Approximately 2,000 students were enrolled with SCVCS in 2009-2010. Learning Coaches, parents, and students conference regularly via Elluminate, telephone calls, k-mail, and our secure internal messaging system. Students are able to enjoy social outings, field trips, and book buddies throughout the year.

Over 600 students were enrolled in SCVCS high school in 2009-2010. Courses are offered on a traditional year-long, 180 days, schedule as well as a semester block schedule. Students are able to choose from a variety of foreign language, advanced-placement, and honors courses. The vast majority of our high school students were enrolled in grades 9-11. The first graduation was held in June 2010, with 14 seniors receiving diplomas. Five graduates are going to 4-year colleges, six to 2-year colleges, one to the Marines, and two are undecided. The class had over \$350,000 in scholarship offers, with two students being eligible for Palmetto Fellows.

All students participate in the state testing, taking PASS, HSAP, and End of Course Assessment. SCVCS students have performed well on all state testing. PSAT is also offered to qualifying students.

More information about SCVCS can be obtained by contacting our school office.

Our focus is to provide a high quality educational opportunity to ensure the academic success of our young people.
