Report of Principal and School Improvement Council

Hannah-Pamplico Elementary Middle is a child-centered, community school dedicated to providing a warm, friendly, and challenging environment in which all students are offered the educational opportunities to become productive, responsible citizens. We believe that all children can learn if all members of our educational family work closely together. During 2009-2010, our students, staff, and parents united to work toward improving student achievement, professional development, and parental involvement.

According to 2009 PASS results, HPEM successfully met 19 of 21 objectives (90.4%) for Adequate Yearly Progress (a 22.1% increase from 2008) and advanced a level on both the elementary and the middle school absolute ratings on the EOC Report Card. This year HPEM continued to focus on improving student achievement levels by maintaining effective initiatives such as inquiry-based instruction and authentic learning; Race to Read, a focused time devoted to reading/conferencing; Race to Achieve, an instructional class emphasizing skill attainment; Thinking Maps, a visual teaching tool to focus and connect learning; Measures of Academic Progress testing; technology integration; single-gender grouping; and Soar to Success, a reading improvement program. New initiatives included Classworks, an individualized computer-assistance program aligned to reading and math MAP scores, and Write from the Beginning/Write for the Future, the Thinking Maps writing companion piece. Professional development focused on intensive data analysis, content area instruction, standards-based assessments, professional book study, cognitive coaching, and single-gender instruction. Teachers attended professional workshops and benefited from the support of consultants from the Pee Dee Center, the Educational Resources Group, Education Consulting, Rockhouse Assoc., and the FMU Center of Excellence.

Our faculty and students have made significant accomplishments this year. Several teachers attained advanced degrees and received grants. Seven eighth graders were named SC Junior Scholars and twenty-four participated in Advanced Placement courses. An eighth grader participated in the regional spelling bee. Our Academic team finished first in the round-robin portion and advanced to the semi-final round of competition at FMU, six athletes received all-conference awards, and the cheerleaders received the Sportsmanship Award. The Jr. Beta Club raised \$2,430 for the Red Cross to provide relief locally and in Haiti. All students participated in our fine arts program, which included productions of Alice in Wonderland, Snowbiz, Silly Spooky Songs, and We're Making Music. Our elementary students continued to break their own records by passing Accelerated Reader book tests. Parents, grandparents, and community members actively participated in Grandparents' Day, Field Day, Month of the Young Adolescent, Pastries for Parents, and other activities. Our PTO and School Improvement Council sponsored several activities to support HPEM, including the donation of picnic tables and a joint food drive with Jr. Beta which resulted in 2,800 canned goods for the Harvest Hope Food Bank.

As always, we are proud of our school and the community it represents. We anxiously await the opportunities and experiences of another great year at HPEM.
