## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Hilton Head Island Stingrays began an exciting 2009-2010 year with Stingray 101, a weeklong orientation. Designed by the staff, the program supported student success and addressed issues such as bullying, character building, and the challenges of the middle school years. We had 31 8th grade students who qualified as South Carolina Junior Scholars through their PSAT scores. We inducted 45 8th graders into the National Junior Honor Society and recognized 108 students as Stellar Stingrays. Our students brought home many trophies and awards this year from their participation in Model United Nations Team, Band, Orchestra, Chorus, Strings and many sports teams. One 6th grade student won the grand prize at the Regional Science Fair and was invited to participate in the International Science Fair in San Jose, California. Several other students won top prizes at the Regional Science Fair. Many of our students were recognized by local organizations, including Rotary Club, and rewarded by our community.

Teachers were involved in professional development throughout the year to improve teaching methods, enhance technology skills, and differentiate the curriculum. We had 2 teachers attain Gifted and Talented certification this year, bringing our total to 14, and we have 9 National Board Certified teachers.

Improvements to our school over the summer included upgraded HVAC systems throughout the building, resurfaced parking lots, new exterior doors, exterior painting, and new interior doors. All student computers in 6 labs and each classroom computer were replaced this spring. Last year, all classrooms were equipped with Promethean Boards to enhance our classroom instruction through technology. Two new programs implemented at Hilton Head Island Middle this year involved the International Baccalaureate program and the Positive Behavior Intervention and Support program. Hilton Head Island Middle has completed application B for consideration of MYP-IB accreditation. HHIMS initiated a schoolwide PBIS program entitled RAYS (Respect-Awesome Attitude-Yearning to learn-In order to meet with Success) to provide positive behavior intervention strategies and recognize students modeling appropriate behaviors.

Our outstanding PTA, SIC, and Sports Booster Club continue to generously support the school. All of the parent support groups and countless hours of volunteer time make our school a wonderful and thriving place for Stingray students. We remain dedicated to continued progress in our academic achievement goals in the next school year in support of the District's Strategic Plan.
