## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

St. Stephen Middle School serves approximately 225 students in Grades 6 - 8. SSM is accredited by the Southern Association of Colleges and Schools (SACS). Ninety-five percent of our students receive free or reduced lunches. Our school's theme is "Linking Rigor, Relevance, and Relationship: Connecting the Pieces for Student Success – Parents, Students, Teachers, Community."

St. Stephen Middle School experienced its third successful year with implementation of Positive Behavioral Interventions and Supports (PBIS), scoring a 98% on the School-wide Evaluation Tool (SET). This model has positively impacted our school climate, supported academic achievement efforts, and raised the level of student expectations and responsibility. Through the restructuring and reorganization of our school, St. Stephen Middle School has experienced growth in many areas. Other continued programs and initiatives include the following: Curriculum Mapping, Making Middle Grades Work, Professional Learning Communities At Work, On-site job-embedded Professional Development, A+ Lab (Content Recovery, Remediation, and Acceleration), implementation of a School Improvement Council (SIC) and Parent-Teacher Association, participation in Content-related Conferences and Workshops, Literacy Initiatives, Student Advisement programs, Student Goal-Setting sessions, and the use of Measures of Academic Progress (MAP) and Benchmark Assessment data to make informed data-driven instructional decisions to increase student achievement.

We are fortunate to have the support and partnerships of the following organizations that promote the educational pursuits of our community's youth: SPAWAR, United Way, Santee-Cooper, Berkeley County School District Mentoring Program, Angel Food Ministries, and other local businesses and churches.

Continuous articulation of St. Stephen Middle School's goals and expectations for students and staff are communicated on an ongoing basis. Data and pertinent school information is also shared throughout the year with students, staff, parents, and the community to maintain a clear sense of our district's mission, vision, goals, and expectations.
