REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Guided by the principles of Dr. Maria Montessori, ECMCS offers an authentic Montessori education to 1st – 8th grade students in the Charleston County public school system. Located in the beautiful walking community of l'On, the school and surrounding green spaces offer unique academic opportunities and cultural diversity in the arts. ECMCS is the only public charter school in South Carolina serving both elementary and middle school students.

The mission of ECMCS, in part, is to provide a rigorous Montessori education that guides children toward academic excellence and a lifelong love of learning. The school fulfills this aspect of its mission by offering an enriched cultural curriculum that incorporates and extends district, state, and national standards. Scientific and mathematical aptitudes, appreciation of history and timelines, literacy across disciplines, and the development of a student's humanity toward the local and global community are all part of the curriculum at ECMCS.

The second part of the school's mission is to encourage stewardship of the greater community. We achieve this in many ways. Starting in the first grade, every student devotes at least 20 hours to an individual community service project called the Yearlong Peace Project. Peace Pillows for Haiti, The Power of 11 Cents, food and clothing for local shelters, books for local hospitals, and Pennies for Peace are just a few of the many organizations to which our students volunteer their time. Parents generously served over 6,000 hours on the school board and committees, helping out in the classrooms, researching community resources to support the school, and more.

The consistent and professional leadership of the Governing Board and school administration remains a cornerstone of its success. ECMCS, like all public schools, received consecutive budget cuts throughout the year. Continuing to do more with less, our fiscal conservatism and financial planning allowed the school to avoid teacher furloughs or cuts to existing programs.

This year was filled with many significant accomplishments. ECMCS was again awarded the Palmetto Gold Award; hosted the first statewide professional development conference for Montessori educators; was the recipient of several successful grants; started a financial planning series for middle school students culminating in a weeklong internship; and created an innovative health and guidance program. The school's greatest success is its continued demand, as seen through our extensive waiting list that is the direct result of our dedication to student achievement.
