REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Manning Junior High School will be undergoing a restructuring process in 2010-2011 school year with the assistance of the School Improvement Grant (SIG). This is a federal grant that will provide personnel and resources to help raise student achievement.

During the 2009-2010 year, the staff consistently analyzed student data each quarter and targeted instruction to address student deficiencies. The school maintained a focus on improving by carefully defined Professional Learning Team (PLT) and Professional Learning Community (PLC) meetings. Participants (teachers and staff) were expected to create action plans and reflective journals of their progress.

Our parents, community, and students were supportive Manning Junior High School's academic, athletic, and artistic programs. Academically, 100% of the English I and Algebra I students passed the End of Course Exam (EOC); NASA partnered with the 8th grade science and math students; Math and Science Departments held the annual Family Expo Night; there were thirteen Junior Scholars; and we had 22 students participate in the USC Region II Science Fair. All of the athletic teams had winning seasons. Manning Junior High School Band received superior ratings at both the 2010 Carowinds Music Festival and Orlando, Florida's Dynamic Music Festival and an excellent rating at the South Carolina Band Directors' Association's Concert Festival.

With a renewed commitment from the teachers, parents, students, and community, Manning Junior High School is ready for the challenge of continuing our improvement on standardized tests, the State School Report Card rating, and the No Child Left Behind initiative.
