REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2009-2010 school year was an exciting one at Whitlock Jr. High School. The parents, teachers, and administrators started the year with one important message to all students, "I believe in you." Through this message, each student was encouraged to work toward his or her highest academic ability, to develop a positive self-concept, and to grow in self-discipline and social consciousness. Beyond providing academic, social, and cognitive skills, the teachers sought to help students develop an appreciation of the ongoing quality of every learning experience. Through implementation of this philosophy, we challenged our students to reach their maximum potential so they would become productive, creative, and responsible members of society in an ever-changing world.

Our students' achievements in all areas were a focal point for Whitlock Jr. High School. Four students were selected to participate in the Duke Talent Identification Program (Duke TIP). Three students were named South Carolina Junior Scholars. Ninety-three percent of the 8th grade students enrolled in Physical Science passed the state End of Course (EOC) test. Every grade level met their target growth on the Reading and Math sections of the Measures of Academic Progress tests (MAP). Four students were named Citizens Scholars. Two students applied for the Scholars Academy at University of South Carolina Upstate. Students exceeded all four of their academic goals set in the State Department of Education's Memorandum of Agreement (MOA). Students also participated in Whitlock's first-ever Math and Science Day; this was a program held in partnership with NASA. The girls' chorus received a superior rating at the South Carolina Festival for the first time in the school's history. Nine students were named All Conference in football, girls' and boys' basketball, and volleyball. Students also attended a number of educational and fun field trips throughout the school year. These trips included: the HBCU Football Classic, Honda Battle of the Bands competition in the Atlanta Georgia Dome, South Carolina Academy Day in Columbia, SC, Frankie's Fun Park in Greenville, SC, Martin Luther King Celebration and Leading Ladies Retreat in Spartanburg, SC, and Six Flags and Carowinds Amusement Parks. We are extremely proud of these and the many other student accomplishments.

Many teachers were productive and excelled at Whitlock Jr. High School. Teachers worked extremely hard in preparing students for the quarterly schoolwide benchmarks used to assist teachers with data-driven instruction. Teachers attended more than 150 professional development conferences and seminars. Two teachers received their National Board Certification, and one teacher was selected as the Teacher Reader Leader for South Carolina's "No Book Left Unread" initiative. These great accomplishments, along with many more, helped establish the culture of excellence throughout the school.

We are extremely appreciative of the support from parents and the Whitlock community. Through our partnership and commitment to our students, we have provided our students with an educational experience they will never forget.
