REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

2009-2010 was a wonderful year as young children started their educational journey here at North Myrtle Beach Primary. North Myrtle Beach Primary is nestled in the middle of a wonderful community within the city limits of North Myrtle Beach and just blocks away from the Atlantic Ocean and Intracoastal Waterway in the opposite direction. North Myrtle Beach Primary serves students within the city limits as well as into the county limits on the other side of the Intracoastal Waterway.

Based on solid research, North Myrtle Beach Primary implemented a core reading program with a concentration on phonics this school year called Imagine It! That has yielded wonderful results and we have expectations that the gains will continue into the next school year. Along with our core reading program, the district provided a universal reading screening for all students that were identified as the neediest so they could participate in intense reading intervention under a program called BURST. Staff Development training was provided throughout the year on our new programs for optimal effectiveness.

North Myrtle Beach Primary was identified and recognized for being an exemplar school in implementation of their Positive Behavior Intervention System. The Positive Behavior Intervention System provides a way to increase and recognize good behavior and decrease negative behavior. The funding for the program comes from a state grant. Our quarterly Celebration Ceremonies are held to recognize students for positive behavior and academic success.

Our PTO continues to supply the extra resources our school needs to be the best it can be. The PTO's involvement (along with other volunteers) adds greatly to the success of our students. Our business partners contribute to the needs of our students in and out of school. They are greatly appreciated.

Our students, although young in age, participated in donating can goods to the local food bank, collecting phone books, participating in Jump Rope for Heart, and Relay for Life. In this tight economy, our students rose to the occasion each time. Way to go, NMB Primary.
