REPORT OF DIRECTOR AND SCHOOL IMPROVEMENT COUNCIL

Enoree Career and Technology Center is located in Northern Greenville County, just south of Travelers Rest. The center was built in 1973, and a four million dollar renovation was completed during the 2005 school year. Enoree Career and Technology Center serves students primarily from Berea High School, Carolina High School, Travelers Rest High School, and Wade Hampton High School; however, students from any Greenville County high school may elect to attend the center for specialized career development courses. Enoree Career Center is accredited through the Southern Association of Colleges and Schools (SACS).

The programs/ courses taught at Enoree include Automotive Collision Repair, Automotive Technology, Building and Construction, Gerontology, Medical Terminology, Intro to Health Science, Cosmetology, Early Childhood, Emergency Responder, Pharmacy Tech, Law Enforcement, Graphic Arts, Fashion Merchandising, Career Development/ Rotation, Sports Medicine, and Web Page Design. Some of the courses taught at Enoree are dual-credit through Greenville Tech. All programs are offered in accordance with the standards established by the Office of Career and Technology Education in SC State Department of Education.

Our Cosmetology students had a 100% success rate on the State Cosmetology Certification. Gerontology /Certified Nursing Assistant program had 100% success rate on their National Certification Exam. Law Enforcement students had a 100% success rate in the National Dispatch Certification in first year this certification exam was offered to Enoree Students. Auto Collision Repair and Automotive Technology continue to work toward National Auto Technician Education Foundation (NATEF) certification. Building and Construction has received National Center for Construction Education and Research (NCCER) certification. Our Health Sciences department meets DHEC standards and the Certified Nursing Assistant program is certified by the State of South Carolina. Our Emergency Responder program receives Red Cross certification in CPR and AED. We have an articulation agreement in place with Greenville Tech, and several of Enoree's courses are dual-credit.

Enoree students have competed in state competitions and have represented the Center well. A Cosmetology student placed third in the state Skills USA Cosmetology competition.

Every completer student received academic assistance by using the WIN Employment skills training software. 95% of Enoree's second year CTE students received a WorkKeys Employment Skills Certificate.

The Center selected students of the month in each program at the school. Students of the year in each program were recognized at the Center's awards day, as well as director's awards winners, citizenship awards winners and scholarship recipients. Outstanding students are awarded membership in the National Technical Honor Society. Enoree offers single semester introduction courses in almost every program at the center. This change in scheduling, along with the staff's recruitment efforts, has resulted in a dramatic increase in enrollment over the past four years. Enoree maintains a great degree of flexibility in classes and curriculum in order to meet the needs of our students, their home base schools, and the community around us. Our goal is to prepare our students for the next step, whether it is entering the work force or continuing their education in a post-secondary environment.
