District Superintendent's Report

Anderson School District Two was 1 of only 3 districts in the state to meet Adequate Yearly Progress (AYP). Meeting the goals of AYP is a testament to the team effort provided to ensure student success. This team approach is also evidenced by 6 out of 7 schools in our district receiving a report card rating of Excellent, and our district ranking 7th out of 86 districts in the state. We are extremely proud of the hard work of our teachers and staff, administrators, students, and parents in meeting these high expectations for student learning. The district continues to provide differentiated approaches to meet the needs of all students through the Merit Academy, reading interventions and supports, a student mentoring program, PBIS, and technology learning programs at all levels.

Staff development throughout the year focused on the areas of Math and ELA. A math foundations course provided extensive instructional strategies training for all K – 5 teachers. Writing instruction was enhanced through writing staff development which focused on the 6 + 1 Writing Traits along with the writing strategies of Content Literacy Continuum (CLC). This training was available for all teachers K – 12 and tailored to meet the needs of individual teachers and schools. Literacy training was provided in each school through the efforts of school-level reading teachers, and other opportunities such as workshops and conferences were offered for professional growth in this area.

School Renewal Goals continued to determine the direction for instructional conversations and collaborative learning and planning. Throughout the year, each school utilized Professional Learning Teams such as Instructional Leadership Teams, Data Teams, and Book Study Groups to guide growth efforts. School-Level Focus Initiatives and common planning times were instrumental in providing the means for collaboration and professional studies. Meetings are held annually at the school and district level to report progress in meeting accountability goals.

State recognitions went to the following schools during the 2010 – 2011 school year:

Palmetto Gold Award for Academic Achievement - Belton Elementary School, Wright Elementary School; Belton Middle School, and Honea Path Middle School
 Closing the Achievement Gap Award –Belton Elementary School, Belton Middle School, and Honea Path Middle School
 State Nomination for a National Blue Ribbon Award – Belton Elementary School

I continue to be very excited and pleased with the accomplishments of all programs in our district including academics, fine arts, and sports. Anderson School District Two remains focused on preparing students to develop their talents to be successful and to reach lifelong goals.

Thomas T. Chapman
 Superintendent
