REPORT OF SUPERINTENDENT

The 2010-11 school year was a difficult one due to the severe financial burden caused by deep state budget cuts. Yet, the Florence Four staff, parents and students remained committed to the academic success of each student. The entire district continues to be dedicated to the belief that all students will have the opportunity to receive a quality and comprehensive education. Daily the faculty and staff are using a variety of strategies and resources to engage students, access progress, and collaborate with parents and the community to increase student achievement.

Parents and community members play an integral role in the success of our students. The information contained in this report card can be helpful to parents who are interested in the success of Florence School District Four. The district appreciates the families and community that we serve and we look forward to the continued support of our parents as we work to help our students reach their goals.

If at any time you have questions or comments, please feel free to contact anyone on the Florence School District Four administrative team for assistance. Your concerns and suggestions are extremely important to me. Please call me at 843-346-3956.

Dr. Steve Quick, Interim Superintendent
